New OUSD Board of Education Resolution

On November 14, 2018, the OUSD Board of Education approved a resolution ([Resolution No. 1718-0168](#)) which allows the Board to appoint a representative to the governing boards of OUSD-authorized charter schools. This authority is granted to them by Education Code §47604(b).

The Office of Charter Schools is currently designing the implementation plan for this resolution and will be contacting charter school and CMO leaders for feedback. Specifics of the implementation plan and timeline are still in development, but charter leaders are encouraged to review this resolution for their reference.

Key Deadlines

Please make a note of the following deadlines:

- **January 10:** Month 5 (12/4/18-1/4/19) and Student Exits reports are due to Mike (mike.nguyen@ousd.org).
- **January 31:** Sign up for an annual site visit time slot via the email form. Site visits will be held from mid-February to mid-May. Contact

Reminders

Informing Families of proposed Public Charge Rule

OUSD has informed families of the potential consequences of the Public Charge Rule proposed by the Trump administration. Charter schools can review [OUSD's statement](#) and are encouraged to provide additional information to their families.

Uniform Complaint Procedures

Uniform Complaint Procedure requirements are available on the [CDE website](#). Please review your school's policy to ensure that it presents accurate information and fulfills all state requirements. As a reminder, schools must share their UCP with students and families annually. OCS will begin auditing schools' complaint procedures after January 31, 2019 so please ensure all necessary updates are completed prior to the end of January.
