**Cited CDE Regulations:**

**[SARC, Pursuant to Ed Code 35258](#), all public schools in California are required annually to prepare SARCs and disseminate them to the public. SARCs are intended to provide the public with important information about each public school and to communicate a school's progress in achieving its goals.**

**[Brown Act, Ed Code section 54950](#), requires that the governing board of any school district/charter to select the time and place for its regular meetings. Such meetings must be conducted openly and proper notice of date, time and agenda must be publicized to the public in advance of the meeting.**
