2017-18 Annual Site Visits

Please sign up for next Spring's Annual Site Visits by filling out the [2017-18 Annual Site Visit Sign-Up Form](#). Please note all site visits take place on Tuesdays, Wednesdays or Thursdays from 9-11 am at your school site. During the annual site visit, we will discuss MPO progress/updates, review the credential compliance binder, and observe and debrief the classroom observations.

Teacher Credentialing Updates

OCS is currently working on transferring information, specifically teacher credentialing information, from DTS to Caspio, our new and improved platform, which we are expecting to go live in July. In the meantime, please email any and all updates regarding teacher credentialing to Mike Nguyen (mike.nguyen@ousd.org). Please note, schools are still expected to maintain credential compliance binders on-site with up-to-date information and documentation.

SPOTLIGHT

Farewell

After working for 20 years for OUSD, David Montes de Oca will transition into a new leadership role working for the California Office to Reform Education. In his new role, David will help launch and lead the expansion of continuous improvement work, focusing on equitable outcomes for all students in Districts across the state, including OUSD.

Ultimately, David plans to return and retire from OUSD. Until his return, he will be missed.
