Hi Kelly,

Thanks for jumping on a call last week. I wanted to follow up and let you know that Aspire ERES and ACA is declining the OUSD 2020-2021 Prop 39 offers. As we have for several years, we will continue to apply for Prop 39 facilities. We are hopeful that in the coming year there will be surplus property available to ERES and ACA that better meets their needs.

Best regards,

Jeanine Hawk, EdD | Chief Financial Officer
