# Charter Schools in Oakland by Authorizer

Over the past six years (since 2016-2017), the number of Charter schools in Oakland has decreased by six. In each of these years, the total number of charters has either gone down or remained flat.

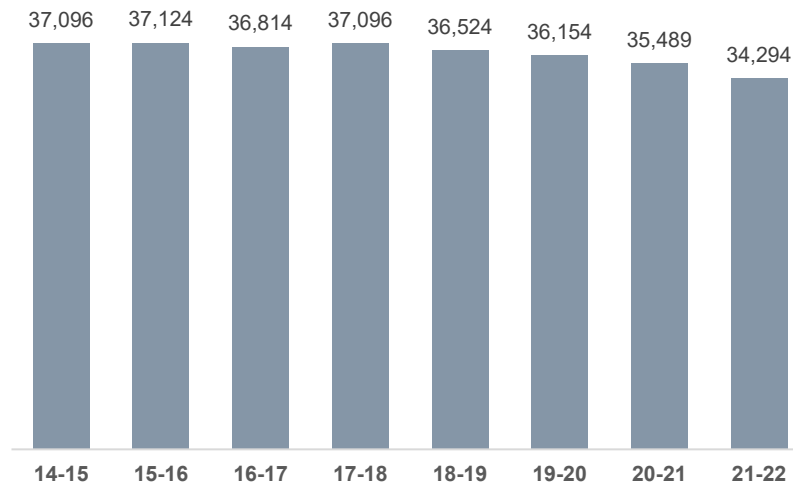

# Charter & District: Total Enrollment

Enrollment in both Oakland Charter schools and OUSD District schools has decreased over the past few years. For charter schools, this decrease has occurred over the past three years (compared to four continuous years of enrollment decreases for District schools).

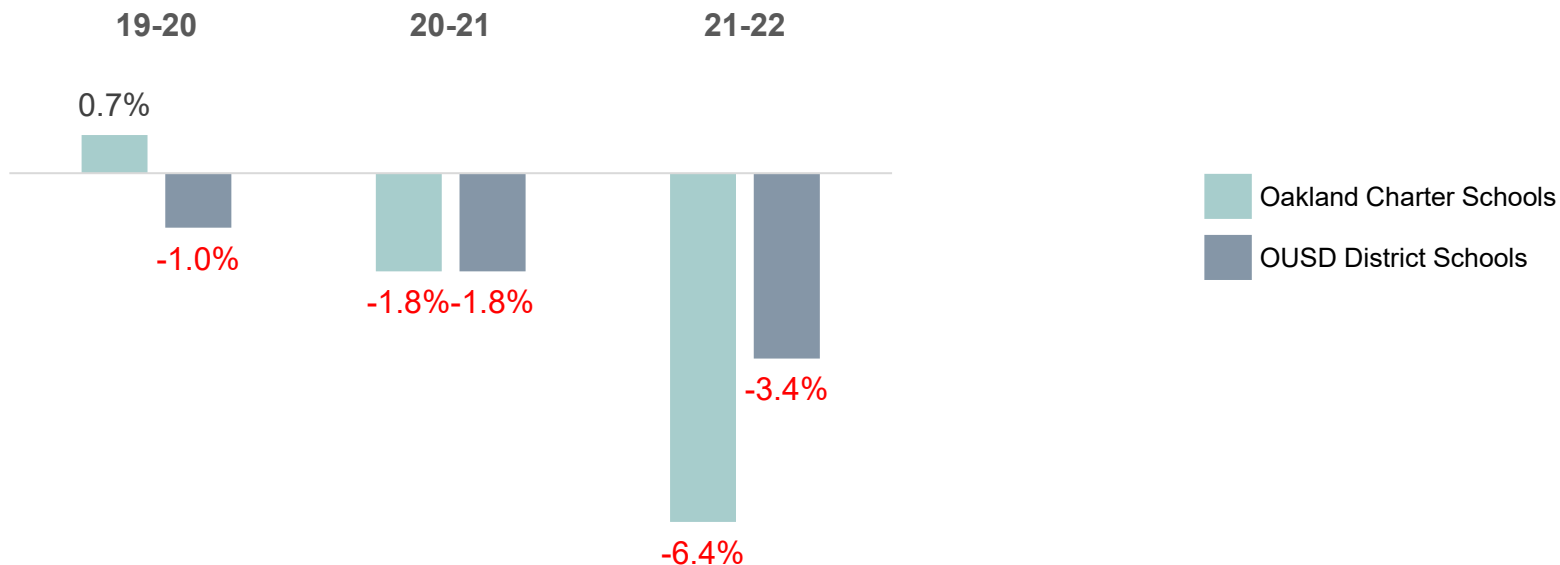

Oakland Charter Schools

OUSD District Schools

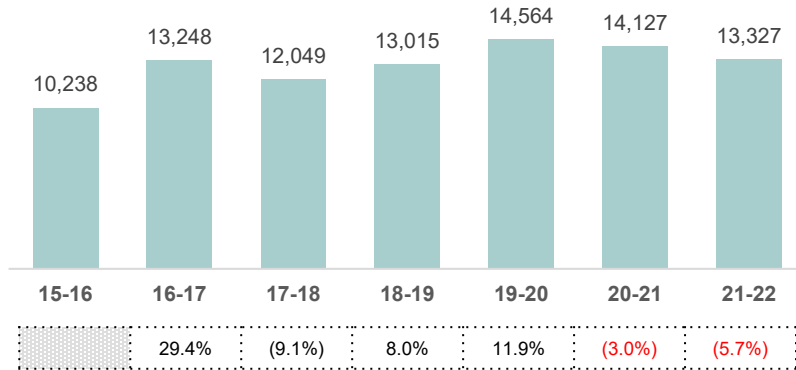

# Charter & District: % Enrollment Change

Based on the most recent annual enrollment data (2021-2022), Oakland Charter schools are experiencing total enrollment decreases at a greater rate than District schools.

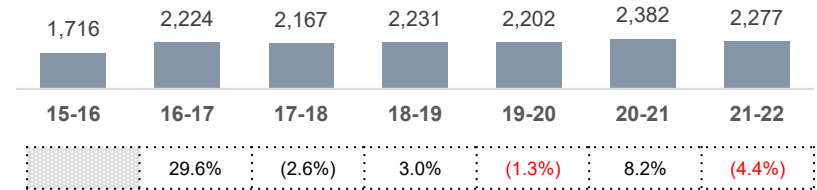

# Resident vs Non-Resident Enrollment

Over the last two years, charter enrollment of Oakland residents has decreased at a faster pace than the total charter enrollment decrease.

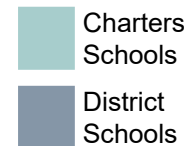

Oakland Residents

Non-Oakland Residents

# Enrollment by Attendance Area

Westlake:  
49% charter

Claremont:  
22% charter

Chabot:  
2% charter

Westlake:  
51% district

Claremont:  
78% district

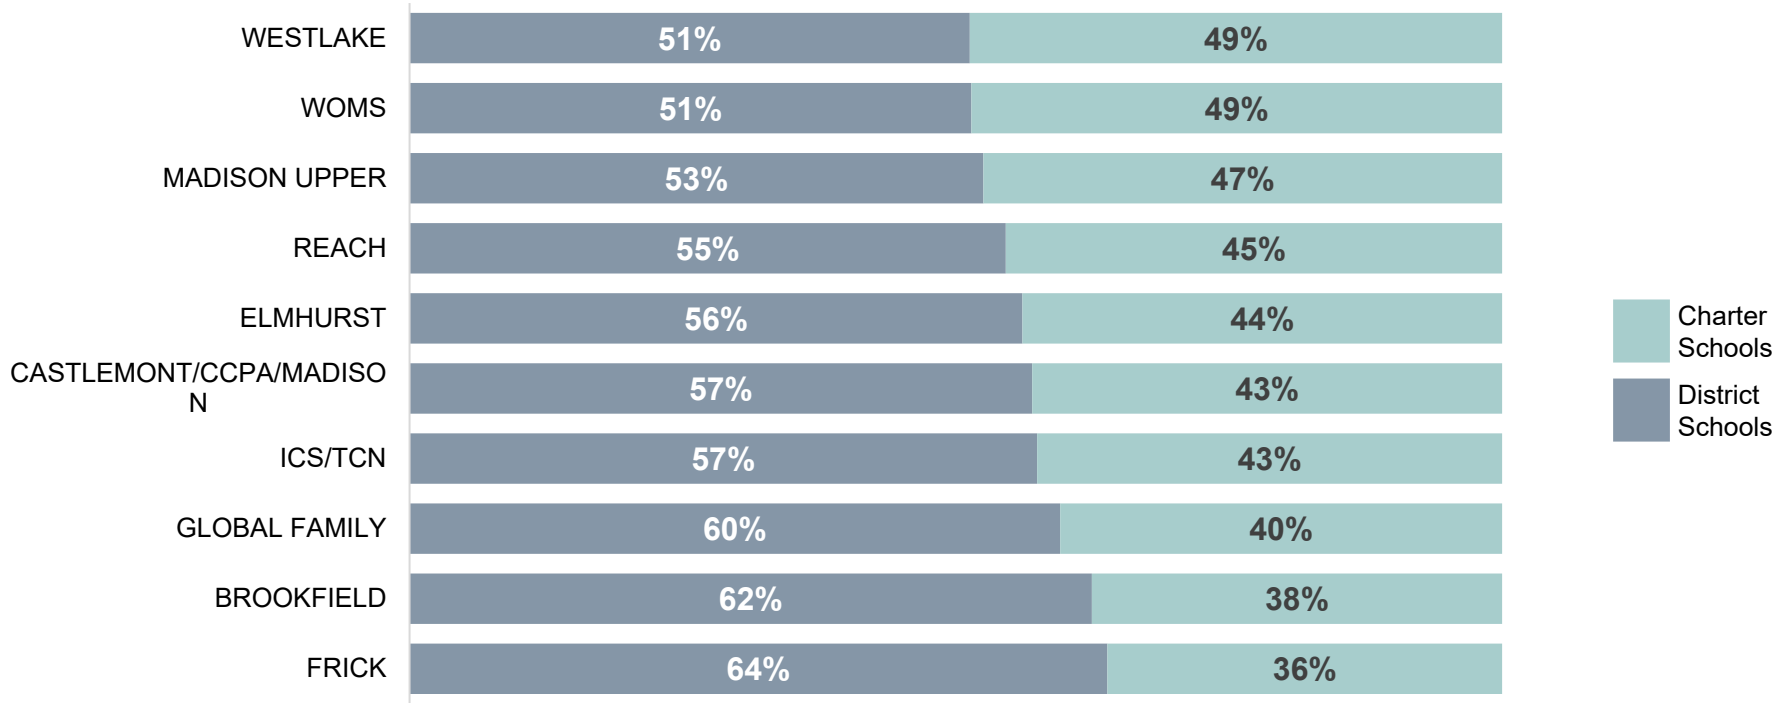

Chabot:  
98% district

# Areas with Greatest % of Charter Enrollment

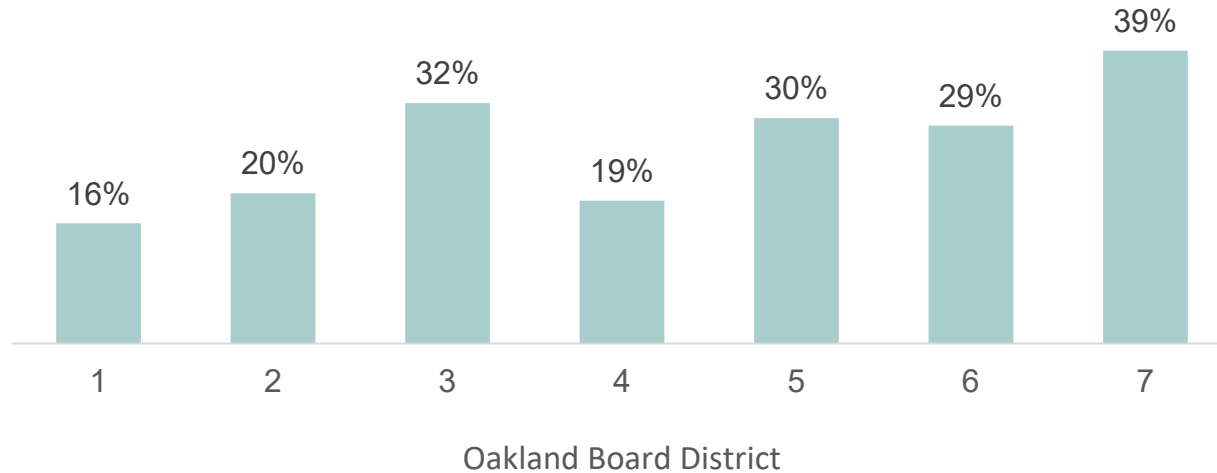

# Areas with Smallest % of Charter Enrollment

# Charter Enrollment by Board District

For 2021-2022, the percent of students residing in a Board district who attend a charter school.

# School Level Enrollment for Charters

**In general, most OUSD Charter schools saw a drop in total enrollment from 2020-2021 to 2021-2022.**

Out of 28 OUSD Charter schools:

- 19 schools experienced a drop in enrollment from the year prior
- 5 schools saw an increase in enrollment
- 4 schools maintained enrollment levels

Across all charter schools, the median enrollment decrease was 19 fewer students.

Overall, total charter enrollment decreased by 549 students.

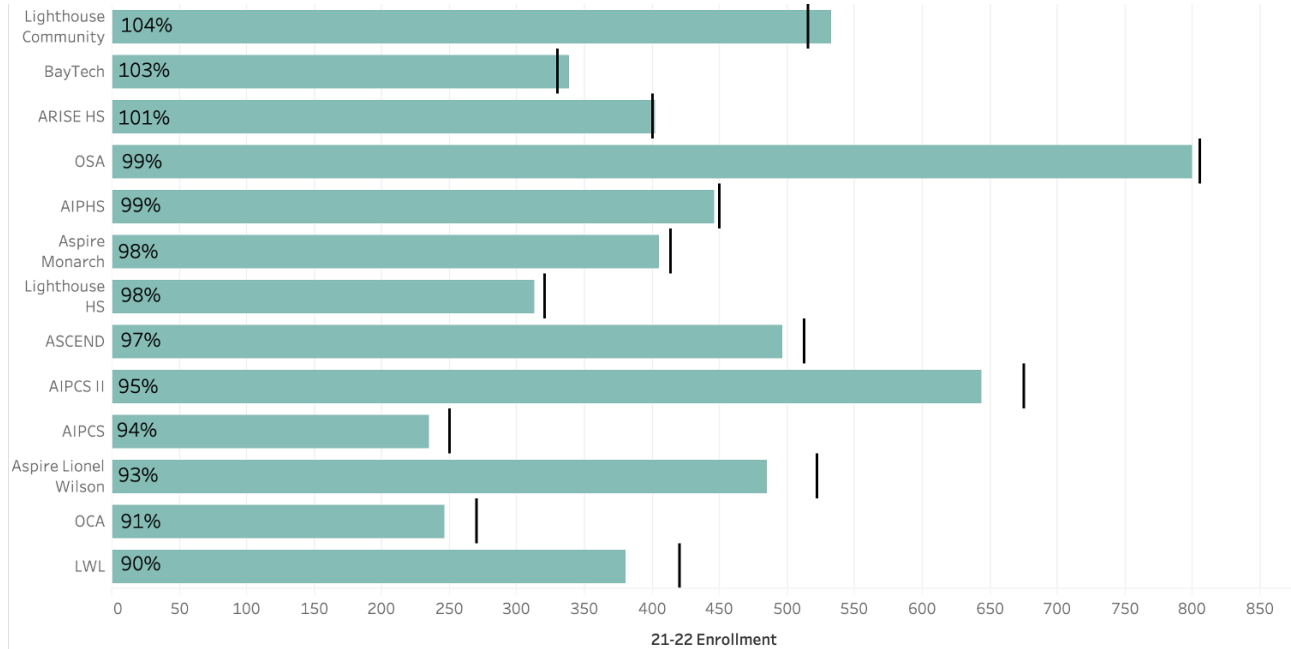

**2021-2022 CHARTER SCHOOLS REPORTING INCREASED ENROLLMENT FROM THE YEAR PRIOR**

	Student Amount Increase	Student Percentage Increase
Lodestar*	+31	4.6%
Lighthouse Community Charter	+22	4.1%
ARISE High School	+15	3.7%
Francophone	+10	3.1%
Lighthouse Community Charter HS	+9	2.9%

*\*Lodestar added a grade at the beginning of the 21-22 year. Without this added grade, Lodestar's 21-22 enrollment total would have actually decreased by 35 students.*

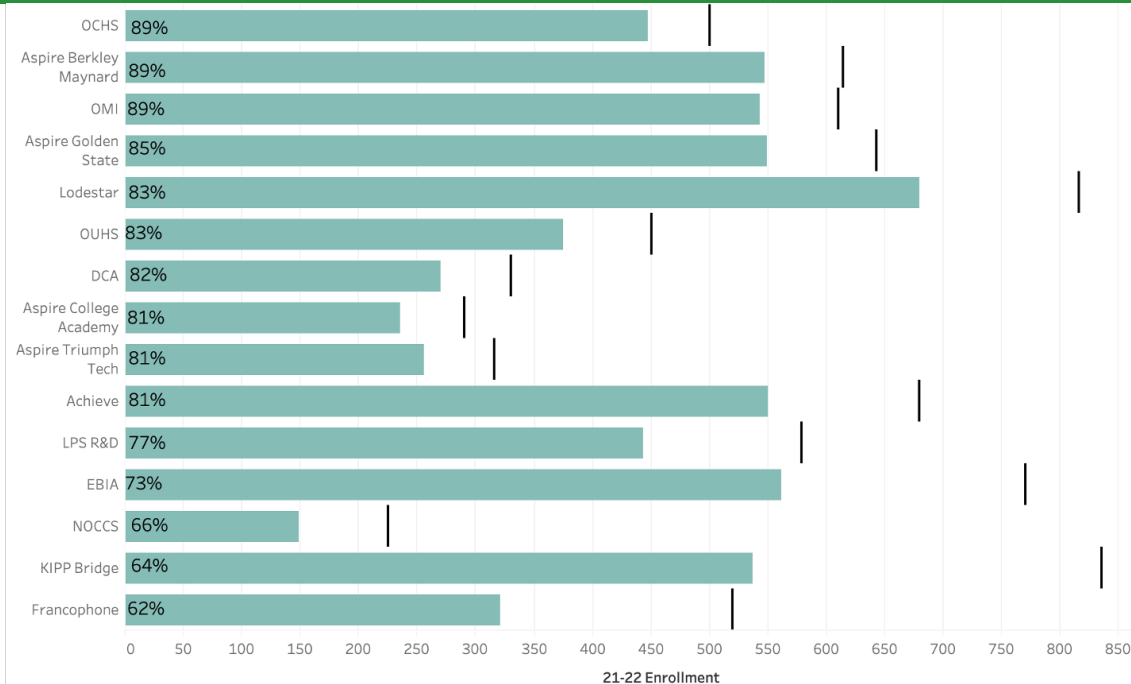

# Current Enrollment vs. Maximum Enrollment

13 schools were at or above 90% of their estimated enrollment maximum (as communicated in their petition).

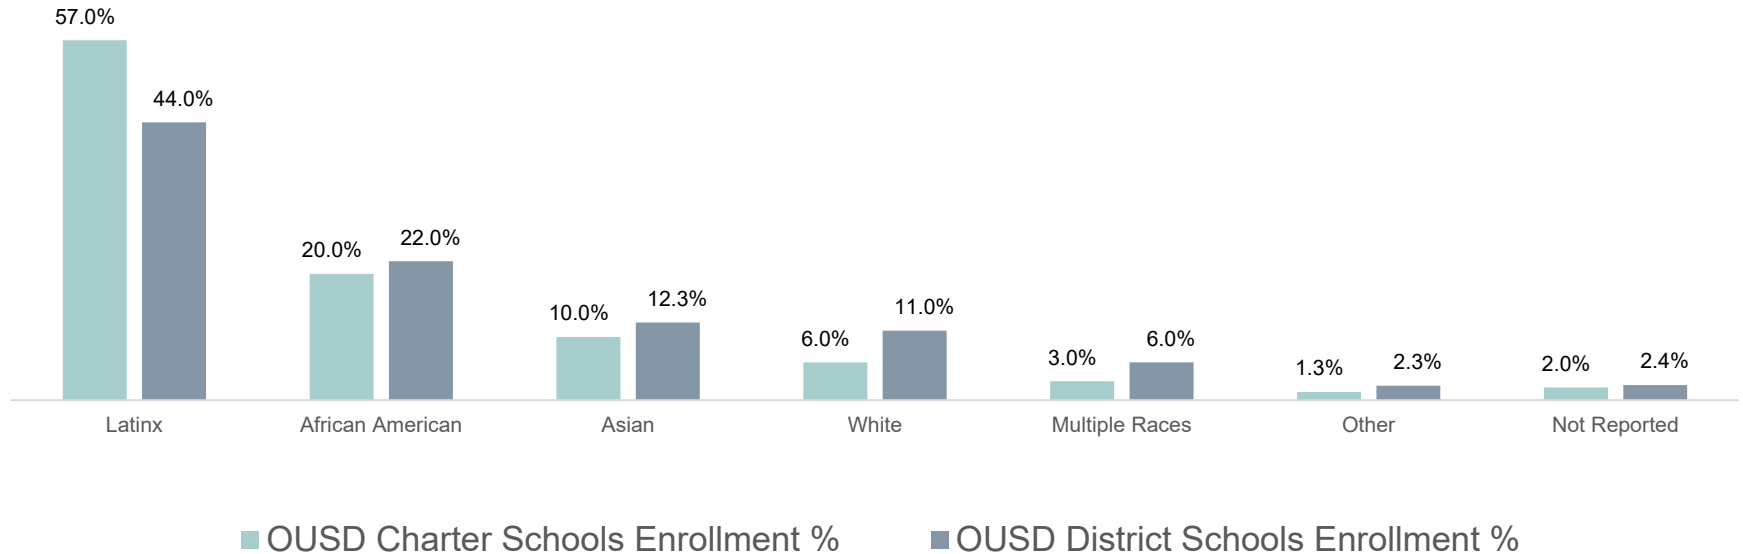

# Current Enrollment vs. Maximum Enrollment

15 schools were below 90% of their estimated enrollment maximum (as communicated in their petition).

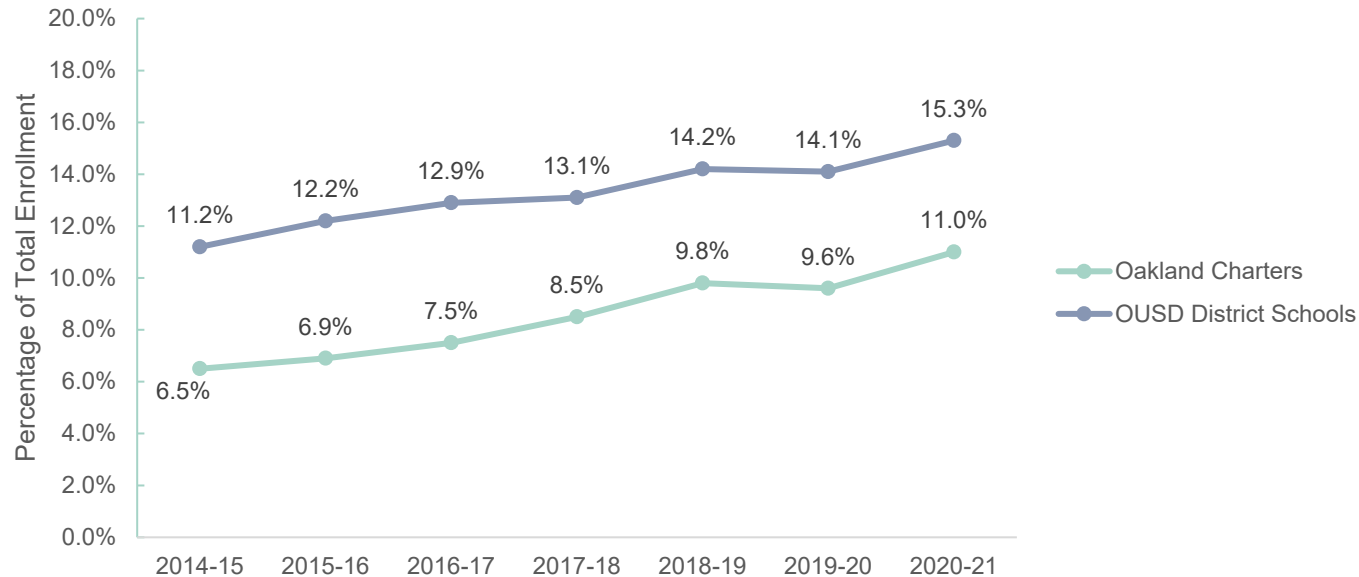

**Note:** Lodestar and Francophone are currently adding grades/sections which accounts for the lower enrollment compared to their maximum

# Charter & District: Student Demographics

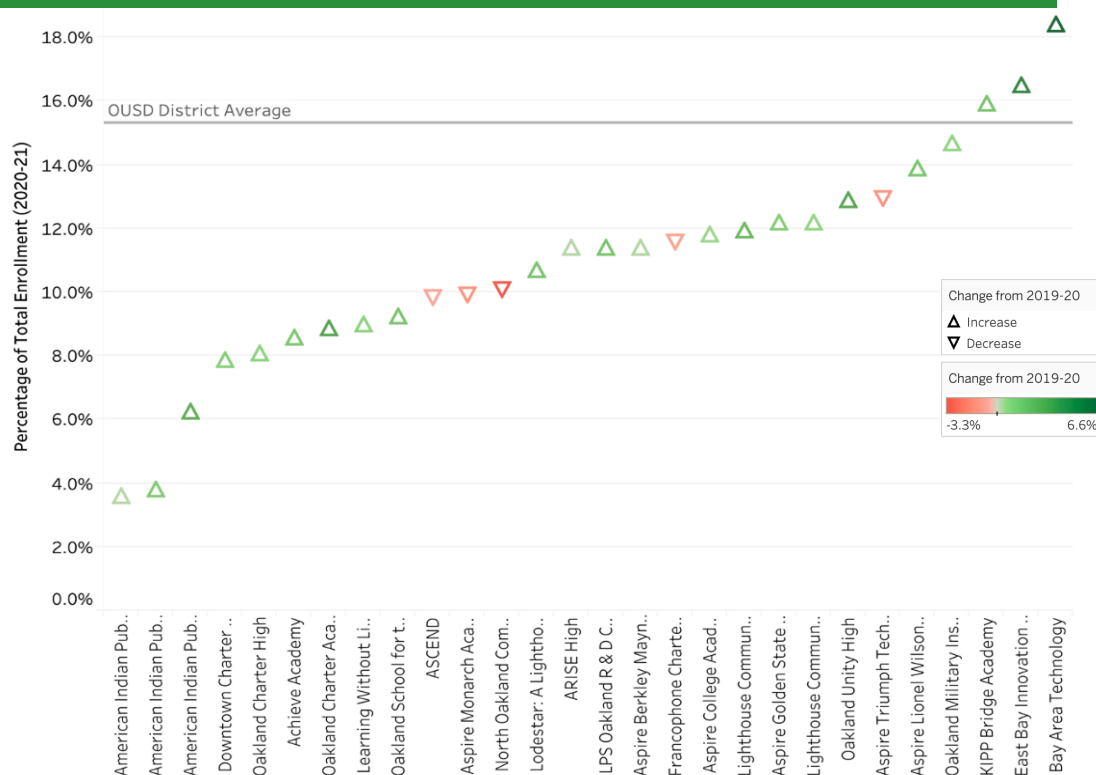

# Charter & District: Enrollment of Students with Disabilities

**The gap between OUSD district and charter schools was at its lowest in 2020-2021.**

# Charter & District: Enrollment of Students with Disabilities

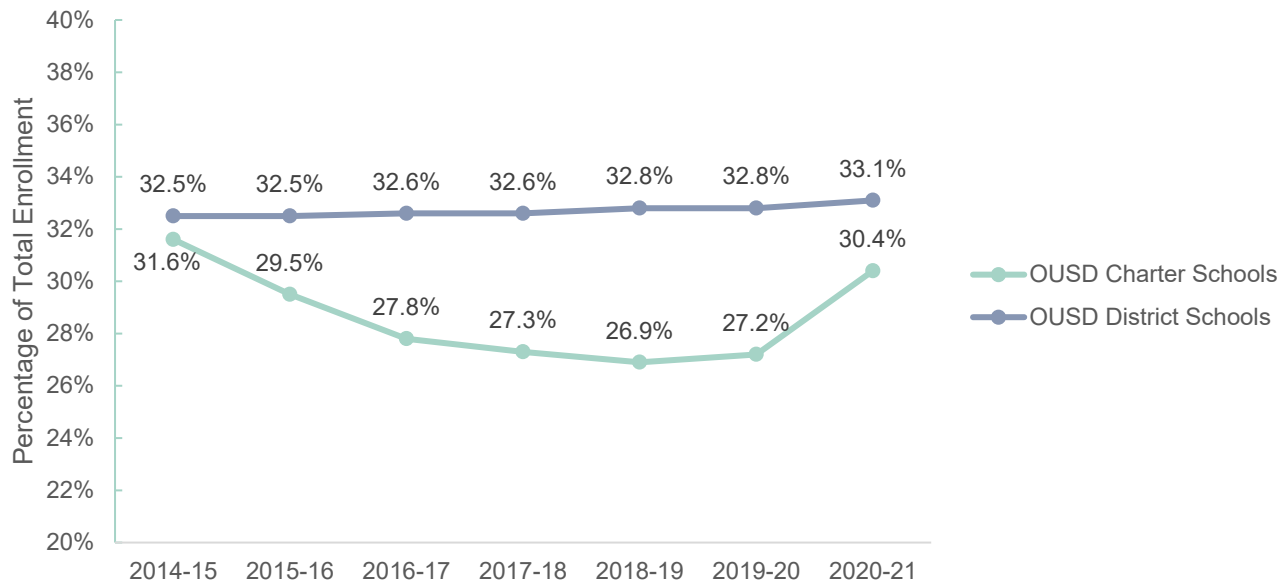

Grade Span	Average OUSD Percentage
K-5	13.4%
6-8	18.2%
9-12	17.2%
<b>District</b>	<b>15.3%</b>

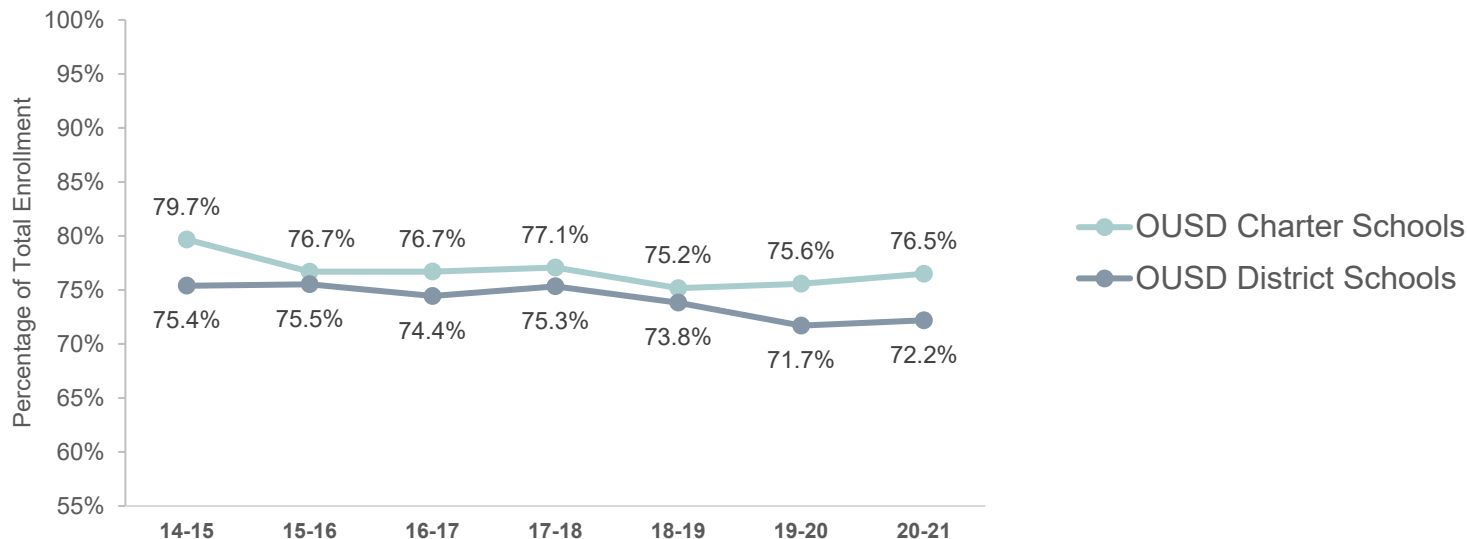

# Charter & District: English Language Learners

**OUSD Charter schools had the highest percentage of English Language Learners in 2020-21 since 2014-15.**

# Charter & District: Socioeconomically Disadvantaged

**In each year since 2014-2015, OUSD-Authorized Charters have reported slightly higher levels of Socioeconomically Disadvantaged (SED) students than OUSD District schools.**
