***Re: Response to District Objections To ADA Projections
Proposition 39 2019-20
East Bay Innovation Academy***

Ms. Murarka:

East Bay Innovation Academy (“Charter School”) is in receipt of the Oakland Unified School District’s (“District”) December 1, 2018 letter objecting to the Charter School’s projected in-District ADA of 598.05, and counter-projecting an in-District ADA of 520.46.

While the Charter School does not believe that the District’s counter-projections or the analysis that accompanies them are reasonable, and believes that it has made reasonable projections of in-District ADA, the Charter School will accept the District’s counter-projection of 520.46.

We look forward to receiving the District’s Preliminary Offer on February 1, 2019.
