PROP 39 FACILITIES REQUEST FORM INSTRUCTIONS

Education Code §47614 (Proposition 39)

Complete the Prop 39 Facilities Request Form (next page) by responding to questions 1-4 and providing the appropriate documentation, as determined by school type, indicated below. Submit all applicable documents to charteroffice@ousd.org no later than end of day on **Monday, November 1, 2021**. Emailed verification will be provided upon submission of a complete application. Please **do not** submit documents in person.

		Additional Documents Required			
		ADA projections spreadsheet (appendix I)	Student application documentation (appendix II)	Meaningfully interested student signature forms (appendix III)	Meaningfully interested students spreadsheet (appendix IV)
Existing School	(a) Existing charter school				
	(b) Projected enrollment of any one or more of the following grade level(s) – TK, kindergarden, 6 th grade, and/or 9 th grade – does not increase by more than 15% between the 2021-22 and 2022-23 school years	Required	<i>Do not submit</i>	<i>Do not submit</i>	<i>Do not submit</i>
Expanding School	(a) Existing charter school				
	(b) Projected enrollment of either TK, kindergarden, 6 th grade, and/or 9 th grade does increase by more than 15%* between the 2021-22 and 2022-23 school years	Required	Required	<i>Do not submit</i>	<i>Do not submit</i>
New School	(a) Charter school opening in 2022-23	Required	<i>Do not submit</i>	Required	Required

*Student application documentation is not required if an enrollment increase of 15%+ results in an increase of 5 or fewer students per grade.

Notes on required documentation:

- Prop 39 facilities are allocated based on in-district (OUSD resident) average daily classroom attendance (ADA).
- Expanding Schools are required to submit documentation demonstrating “meaningfully interested students” for appendix II. Unlike in past years, this requirement must be fulfilled by providing student application documentation from the 2020-21 and 2021-22 school years. Further instructions are included in Appendix II.
- Charter schools experiencing enrollment growth due to the addition of previously authorized grade levels are considered Existing Schools. As such, these schools should **not** submit student application documentation or meaningfully interested student forms.
- Include only information requested. OCS may request additional documentation as necessary.

1. Provide a description of the methodology used to create the average daily classroom attendance (ADA) projections included in Appendix I.

Francophone Charter School of Oakland (“Francophone” or “Charter School”) is in its seventh year of operation. This year, the school serves 326 students, from TK to 8th grade. We continue to grow the class size in our middle school grades (5th-8th).

For enrollment projections for the 2022-2023 school year, Francophone used the following assumptions:

- 24 students in one section of TK, 23 students per section in three sections of Kindergarten. This is consistent with the historic enrollment patterns at TK and Kindergarten, as the size of these classes has received more applications than available slots at these grade levels for the last three years.
- 50% of incoming TK students were assumed to be in-District; this is consistent with prior year in-District percentages for TK.
- 63% of incoming Kindergarten students were assumed to be in-District; this is consistent with the average of current and prior year in-District percentages.
- For grades 1-8, enrollment is based on 2021-22 enrollment with the attrition factors developed from historical attrition factors calculated from actual attrition numbers from the 2019 to 2021 for each grade level.
- For the Average Daily Attendance (ADA) rate, Francophone used the lower of the actual rate for the grade-level in 2021-22 to develop its Prop. 39 projections and budget projections. This projected ADA rate is reasonable and consistent with its ADA rate of the past three years.

2. Please indicate all (sites, including non-OUSD sites) on which the Charter School is currently located, if any.

Toler Heights Campus (OUSD)
9736 Lawlor St, Oakland, CA 94605

St. Jarlath Campus (non-OUSD, private site)
2634 Pleasant St, Oakland, CA 94602

3. Provide a description of the general geographic area or the district school site in which the charter school wishes to locate. *(Please note that while the District will make a reasonable effort to offer space in the general geographic area requested, Proposition 39 does not require the district to grant the charter school's geographic or site-specific requests.)*

Francophone urges the District to identify a single site option to house all of its students, and ideally where the Charter School will be able to stay and grow for several years. With campuses in District 5 and District 7, the School wishes to continue serving its East Oakland community, as well as the broader Oakland community that is attracted by its unique program.

Francophone would like to continue the conversation with the District to identify medium-and long-term alternate set-ups/or locations for Francophone, balancing out the needs of Francophone's unique French immersion program, the expectations of its families, the growth plan of the school, and the district's facility usage and allocation plan.

We would be open to discussing capital improvement options on the Toler Heights site.

4. Please note if the charter school has any unique facilities-related requests based on the school's educational programming.

The Francophone Charter School offers a classroom-based, dual language immersion program in French and English centered around the concepts of academic success, global citizenship, and community.

Given that the Francophone Charter School of Oakland offers a classroom-based dual language immersion program, students are regularly provided additional academic support in English and French in small groups or one-on-one. This has led us to seek additional space to accommodate these support services. Our educators have regularly had to hold one-on-one sessions in hallways and other common areas due to a lack of appropriate space. We, therefore, request that space allocation provides for these additional needs.

Appendix I: Enrollment, Attendance Rates, and ADA Projections

Instructions: Fill out the tables below for all grade levels served at the school. "Oakland-Resident, Classroom-Based" columns should only include information for students who reside in Oakland, excluding any students in non-classroom based programs (e.g. independent study). ADA Projections in Table 3 should be the result of multiplying corresponding projected enrollment in Table 1 by corresponding projected attendance rates in Table 2.
