The following is to inform you that as of July 1st, Francophone Charter School of Oakland has an executed lease for the St. Jarlath facility with the Diocese.

Thus, Francophone is officially withdrawing our acceptance of the Brookfield Prop 39 offer.

We aim to complete our move by Thursday (7/2) and at the very latest to be completely out of Howard by Friday morning (7/3).

On a separate note, we intend to serve grades 3rd - 8th at the Toler Heights campus. However, given the recent budget news by Governor Newsom, of not funding enrollment growth, we may decide to move additional grades to St. Jarlath.

Again we thank you for your patience and support. As always OUSD has been and continues to be an excellent partner to FCSO.

Warm Regards,  
Kennedy Hilario  
Executive Director  
Francophone Charter School of Oakland
