**RE: Addendum to Facilities Use Agreement between Francophone Charter School and OUSD**

Oakland Unified School District (OUSD) and Francophone Charter School signed a Facilities Use Agreement (FUA) that was then approved and signed by the OUSD Board on June 24, 2020. This FUA stated that the grade level and in-District Average Daily Attendance (ADA) configuration for the Toler Heights campus would be decided by mutual agreement and memorized in an addendum once established for the 2020-21 school year.

This Addendum amends the FUA under Sections 5 and 13.6. Both parties agree that Francophone shall serve grades 3-5 with a projected in-District ADA of 76 students at the Toler Heights campus during the 2020-21 school year. All other remaining provisions of the FUA not amended in this Addendum shall remain in effect.
