### DATA SOURCES:

<sup>1</sup> Collected during the 2015-16 OUSD Fall Information Update

<sup>2</sup> Provided by the OUSD Facilities department and includes past expenditures on facilities currently occupied by charter-run schools

<sup>3</sup> Provided by the respective districts when asked how many charter-run schools are currently in a district facility

<sup>4</sup> OUSD 2015-16 Strategic Regional Analysis Report, p. 41

\* The Prop 39 amount is only for the 16-17 school year; however, similar expenditures were made in previous years to accommodate the other 18 charter schools currently housed in district facilities
