Dear Maya Woods-Cadiz:

The District would like to confirm American Indian Public Charter School II's position regarding an offer of facilities for the 2017-2018 school year.

Please confirm in writing American Indian Public Charter School II's interest in receipt of a Final Facilities Offer from the District. Please note that time is of the essence for receipt of a response as the space currently being held for American Indian Public Charter School II could be otherwise utilized for the 2017-2018 school year, or potentially offered to another charter school.

If American Indian Public Charter School II is no longer interested in receiving a Final Facilities Offer from the District, please confirm the withdrawal by signing the bottom of this letter.
