1. Please complete and attach the **ADA Projections Spreadsheet (Appendix I)**.
2. Provide a description of the methodology used for the ADA projections above, including the current and prior year's attendance rates. Please also include supporting documentation as an attachment. *Title 5 CCR §11969 specifies that a requesting charter school must determine a reasonable projection of the in-district average daily classroom attendance (ADA) for the applying school year.*

The Charter School is not projecting a substantial increase in enrollment, but rather is projecting that its total and in-District ADA will remain approximately the same for the 2018-19 school year. In sum, the Charter School used the cohort survival method, in which the enrollment in each grade level is rolled forward one grade and the incoming sixth grade class remains the same size as the 2017-18 sixth grade class, to develop its ADA projections for 2018-2019. We are projecting that our in-district students would remain the same.

More specifically, the ADA projections provided are based on our observed ADA during the 2016-2017 school year, and our projected enrollment and ADA for 2017-2018. The 2016-2017 ADA figures were gathered from our 2016-17 P-2 report submitted to the state. Our enrollment for the 2017-2018 school year was based on our CBEDS submission to the state. We note that our attendance reports for the first

<sup>1</sup> 5 CCR § 11969.9(c)(3) School districts may require the charter school to submit its facilities request containing the information specified in paragraphs (1) and (2) on...another form specified by the school district.

## OFFICE OF CHARTER SCHOOLS

two months of the year reflect an attendance rate of 96%. In the past few years we have had a 98% attendance rate, and the projected ADA for the 2017-2018 school year is calculated based on that percentage.

Our ADA projections for the 2018-19 applied to an attendance rate of 98% to our CBEDS enrollment for each relevant grade level and rolled it forward, while assuming a 6<sup>th</sup> grade class of the same size as the current 6<sup>th</sup> grade class.

In addition, in the last few years we have received more applications than spaces available, and have maintained a waitlist of 50 students. As such, any slots that are vacated by departing students will be filled by our waitlist. Therefore, we have rolled the current ADA for each grade level forward one grade, and assumed a 6<sup>th</sup> grade class that is the same size as the current 6<sup>th</sup> grade class. Any vacancies will be filled by students from our waitlist or new applicants.

Based on discussions with current students and their families, we therefore anticipate roughly the same ADA for the 2018-2019.

- 3. Please indicate all OUSD campuses on which the Charter School is currently located. (If Charter School is not currently located on an OUSD campus, enter "None".) (NOTE: Proposition 39 allows OUSD to move a charter school from its current site if necessary.)**

None

- 4. Provide a description of the district school site and/or general geographic area in which the charter school wishes to locate. (NOTE: Proposition 39 requires the district to make a "reasonable effort" to offer a facility to a charter school in the general geographic area in which the charter school wishes to locate; however, the district is not required to grant the charter school's request.)**

Our Charter School wishes to be located within the Laurel/Downtown/Chinatown neighborhood. Our goal is to serve minority and socio-economically disadvantaged students who reside in these neighborhoods. In consideration of the demographics we serve, we need to be in a facility that is accessible to families that travel on foot or rely on public transportation to attend our school. Therefore, we request facilities at one of the following campus: Lincoln, La Escuelita, Bella Vista, West Oakland Middle, Hoover Elementary, Piedmont Elementary, Westlake, Tilden, Laurel, BrettHart, Allendale and United for Success campus.

- 5. Provide information on the charter school's educational program that is relevant to the assignment of facilities.**

Our education program calls for a small students to teacher ratio of 25:1, therefore we request that the number of classrooms allocated for our use that reflects this ratio. In addition our school requires a large space for lunch program (kitchen), study hall, and occasional family meetings. Therefore we require access

OFFICE OF CHARTER SCHOOLS

to such space. Additionally, due to physical education limitations that our students are currently facing, we require a facility with a gymnasium and fields. Currently our students walk to parks within the surrounding areas of the school, which has created a safety risk for our students.

Please note that this list is not exhaustive, and if the District's comparison schools include other facilities not noted here, or the Charter School would be entitled to additional teaching stations, specialized teaching station spaces, or non-teaching stations spaces under a Prop. 39 analysis, the District must also allocate a reasonably equivalent amount of this space to the Charter School.

Finally, a contiguous site is critical for staffing purposes as we have a great deal of shared staff and instructors, and importance to families with siblings. Consequently, our educational program requires a single contiguous school site in which to operate.

**The following application requirement ONLY applies to Schools Opening in 2018-19 or Schools Currently Operating and Projecting an Enrollment Increase Greater than 10%**

6. Please complete and attach the Meaningfully Interested Student Signature Forms (Appendix II) **AND** the Meaningfully Interested Students Spreadsheet (Appendix III). (Please be sure to also provide Appendix III in Excel format on a flash drive.) Title 5 CCR §11969.9(c)(1)(B)(C) states that the annual request must include a description of the methodology used in making the ADA projections and if relevant, documentation of the number of in-district students meaningfully interested in attending the charter school.
