

furnish District with the original certificates and amendatory endorsements effecting coverage required.

20.2. Charter School acknowledges that the insurance to be maintained by District on the School Site will not insure any of Charter School's property or improvements made by Charter School.

20.3. Charter School shall, at Charter School's expense, obtain and keep in force during the term of this Agreement a policy of commercial general liability insurance and a comprehensive auto liability policy insuring District and Charter School against claims and liabilities arising out of the operation, condition, use, or occupancy of the Premises and all areas appurtenant thereto, including parking areas. Charter School's comprehensive auto liability policy shall insure all vehicle(s), whether hired, owned or non-owned. Charter School's commercial general insurance shall be at least as broad as the Insurance Service Office (ISO) CG 00-01 form and in an amount of not less than One Million dollars (\$1,000,000) for bodily injury or death and property damage as a result of any one occurrence and Two Million dollars (\$2,000,000) general aggregate policy limit. In addition, Charter School shall obtain a products/completed operations aggregate policy in the amount of One Million dollars (\$1,000,000). The insurance carrier, deductibles and/or self-insured retentions shall be approved by District, which approval shall not be unreasonably withheld. Prior to the Commencement Date, Charter School shall deliver to District a certificate of insurance evidencing the existence of the policies required hereunder and copies of endorsements stating that such policies shall:

20.3.1. Not be canceled or altered without thirty (30) days' prior written notice to District;

20.3.2. State the coverage is primary and any coverage by District is in excess thereto;

20.3.3. Contain a cross liability endorsement; and

20.3.4. Include a separate endorsement naming District as an additional insured.

At least thirty (30) days prior to the expiration of each certificate, and every subsequent certificate, Charter School shall deliver to District a new certificate of insurance consistent with all of the terms and conditions required in connection with the original certificate of insurance as described herein.

20.4. During the Term of this Agreement, District shall maintain at its cost a policy of standard fire and casualty insurance limited to the value of the buildings and improvements located on the School Site as of the Commencement Date. In the event of loss or damage to the School Site, the buildings, the Premises or any contents, each Party, and all persons claiming under the Party, shall look first to any insurance in its favor before making any claim against the other Party, and to the extent possible without adding additional costs, each Party shall obtain for each policy of insurance provisions permitting waiver of any claim against the other Party for loss or damage within the scope of the insurance and each Party, to the extent permitted, for itself and its insurers, waives all such insurance claims against the other Party.

20.4.1. No use shall be made or permitted to be made of the Premises, nor acts done, that will increase the existing rate of insurance upon the building or buildings of the Premises or cause the cancellation of any insurance policy, covering same, or any part thereof, nor shall Charter School sell, or permit to be kept, used, or sold in or about the Premises any article that may be prohibited by the standard form of fire insurance policies. Charter School shall, at its sole cost and expense, comply with any and all requirements pertaining to the Premises, of any insurance organization or company, necessary for the maintenance of reasonable fire and casualty insurance, covering the Premises' buildings, or appurtenances. Fire and casualty insurance premium increases to District due to equipment and/or activities of Charter School shall be charged to Charter School.

20.5. During the Term, Charter School shall comply with all provisions of law applicable to Charter School with respect to obtaining and maintaining workers' compensation insurance. Prior to the commencement and any renewal of this Agreement and Charter School's occupancy of the Premises, Charter School shall provide District, as evidence of this required coverage, a certificate in a form satisfactory to District on or before the commencement or renewal date, providing that insurance coverage shall not be canceled or reduced without thirty (30) days prior written notice to District.

**21. Signs.** Charter School may, at Charter School's sole cost, have the right and entitlement to place an onsite sign on the Premises to advertise Charter School's educational program, provided Charter School obtains the prior written approval and consent of District. District's approval and consent shall not be unreasonably withheld. Any signs shall be at Charter School's cost and in compliance with the local ordinances pertaining thereto. In connection with the placement of any of Charter School's signs, District agrees to cooperate with Charter School in obtaining any governmental permits which may be necessary. Throughout the Term of the Agreement Charter School shall, at its sole cost and expense, maintain any of its signage and all appurtenances in good condition and repair. At the termination of the Agreement, Charter School shall remove any signs which it has placed on the Premises and School Site, and shall repair any damage caused by the installation or removal of Charter School's signs.

**22. Subcontract, Assignment and Sublease.** Charter School shall not have the right, voluntarily or involuntarily, to assign, license, transfer or encumber the Agreement or sublet all or part of the Premises. Any purported transfer shall be void and shall, at District's election, constitute a default. No consent to transfer shall constitute a waiver of the provisions of this Section.

  - 28.2. The judgment of a court of competent jurisdiction, or Charter School's admission in an action or a proceeding against Charter School, whether District be a party to it or not, that Charter School has violated any law or regulation or ordinance in Charter School's use of the Premises shall be considered conclusive evidence of that fact as between District and Charter School. If Charter School fails to comply with any law, regulation or ordinance, District reserves the right to take necessary remedial measures at Charter School's expense, for which Charter School agrees to reimburse District on demand.

- 28.3. Charter School shall not cause or permit any Hazardous Material to be generated, brought onto, used, stored, or disposed of in or about the Premises and any improvements by Charter School or its agents, employees, contractors, subtenants, or invitees, except for limited quantities of standard office, classroom and janitorial supplies (which shall be used and stored in strict compliance with Environmental Laws). The "prevailing party" shall be the Party who is entitled to recover its costs of suit, whether or not suit proceeds to final judgment. No sum for attorneys' fees shall be counted in calculating the amount of a judgment for purposes of determining whether a Party is entitled to its costs or attorneys' fees.
